

GIVE THE GIFT OF EDUCATION

This spring the students of Southwest Detroit Community School are planning an amazing educational program traveling to Washington, D.C.! This is a once-in-a-lifetime adventure where students will explore our nation's most important historical sites and experience incomparable learning moments. Here are some of the activities that are planned for us on our visit:

- **The Capitol:** Visiting the Rotunda and the Senate and House chambers where Congress meets.
- **White House:** Visit the most famous house in America - home to our president and the executive branch of our government.
- **Lincoln Memorial:** Pay tribute to our 16th President and reading his famous Gettysburg Address.
- **Arlington National Cemetery:** See the Changing of the Guard ceremony at the Tomb of the Unknown Soldier, the Eternal Flame at JFK's gravesite, and the Challenger Memorial.
- **Smithsonian Museums:** Visit the many Smithsonian museums located on the Mall in D.C., including the Air and Space Museum and Museum of Natural History.

In order to make this totally unique adventure happen, our school and our students need to raise \$825 per student. We hope to send 27 students. Please help support our students' growth and expand their learning by sponsoring a portion of our trip. Any contribution you could make would bring our school that much closer to this once-in-a-lifetime experience for our students. Please send your contribution made out to our 501 (c)(3) "EAS Schools Foundation, Inc" to our school at **Southwest Detroit Community School, 4001 29th Street, Detroit, MI 48210**. We will send you an acknowledgement of your tax deduction donation.
